

HVAC-R EXPO

Please join us

**Friday, April 13th & Saturday, April 14th
9 a.m. — 2 p.m.**

Friday our objective is to bring together Engineers, Project Managers, Building Owners and our Contractors to showcase the training we offer to the industry. Over 60 Vendors will be on hand displaying innovative HVAC products.

Saturday the focus is to attract entry level Service Techs from the area's Trade and Tech Schools as well as experienced Service Techs working in the Trade who may be looking for a new career opportunity. Attendees are encouraged to bring resumes.

* Lunch will be provided both days.

* Raffles will be drawn on Saturday with the "Vendor Initialed Tickets."
