

The Officers of Plumbers Local Union No. 1 are pleased to invite you to attend a special presentation by nationally known author and speaker, *Mark Breslin*. Mark is a leading authority on surviving in the unionized construction industry.

This presentation focuses on the key roles that must be played by the union, the contractors and rank and file workers. Among the many challenges facing unionized construction that Mark addresses, one such topic is facing the fact that times have changed and that in order for unionized construction to survive and prosper we must accept change and then develop and agree upon strategic initiatives to act on.
